DRAIN/FRUIT FLY TRAP

- 24-hour, non-chemical trapping
- Adhesive pre-applied to interior captures and traps insects

Gardner's Drain/Fruit Fly traps are an easy-to-use method of trapping pesky drain/fruit flies in industrial and commercial areas. Traps are made from lightweight food grade plastic, and are disposable.

Simply add your own attractant (banana or vinegar) to lure insects into entry holes in the bottom of trap. Hang or place flat in the areas of need.
