## MINI TRAPPLE FRUIT FLY TRAP

**THE EASY-TO-USE SOLUTION TO ATTRACT FLIES AWAY FROM FRUIT USING NON-TOXIC, NATURAL ATTRACTANTS**

Gardner's mini-trapple fruit fly trap is an attractive, decorative and easy way to attract and capture annoying fruit flies. Once in use, you'll benefit from:

- quiet, clean control of fruit flies in your kitchen or pantry 24/7.
- fruit flies sanitarily trapped in non-toxic, natural attractants, lasting 30-45 days.
- easy clean up and disposal. Rinse and clean Mini-Trapple after 30-45 days of use or when full of fruit flies. Replacement attractant cups are available.
