

GT-220 – Stainless

40 watt Wall Mounted Adhesive Trap

GARDNERFLYLIGHTS.COM

two 5" x 22" glueboards hidden from view

stainless steel design for polished finish

open face for maximum U.V. light emission

STAINLESS, COMMERCIAL

- 24-hour, non-chemical trapping
- Uses one 5" x 22" glueboard
- Energy-efficient U.V. insect lamps (2 - 20 watt)
- Color & material: stainless steel
- Attraction range: 1800 sq. ft.
- UL approved/listed, 115v/60hz, with 6' cord
- FDA & USDA accepted under current code
- Dimensions: 25"w x 10"h x 4"d
- **2-year limited warranty**

Our inspiration was to design an insect light trap that incorporates all the feedback from our customers into one great product!

- **STAINLESS STEEL**, extremely durable, commercial grade construction withstands harsh environments and lasts longer
- **EASY INSTALLATION** with convenient two-piece bracket wall-mounting system

- **LARGE GLUEBOARDS** trap more insects as compared to other models
