2.5" slim width

Our inspiration was to design an insect light trap that incorporates all the feedback from our customers into one great product!

- **AVAILABLE IN STAINLESS STEEL**, an extremely durable construction withstands harsh environments and lasts longer
- **SLIM DESIGN**, (2.5" width) hugs the wall to avoid creating hazard
- **EASY INSTALLATION** with convenient two-piece bracket wall-mounting system
- **LARGE GLUEBOARD** traps more insects as compared to other models and patented **GLUEBOARD ROLLER GUIDE SYSTEM** protects glueboards from sticking to bulbs when servicing
